Property and Funds.

These consist of all the property, funds, and estates formerly belonging to the Governors of Robert Gordon's College and the Aberdeen Educational Trust excepting the buildings and grounds of Robert Gordon's College, Gray's School of Art and the Educational Trust, and heritable property in Blackfriars Street and Woolmanhill, Aberdeen, together with certain educational bequests, transferred to the Governors of Robert Gordon's Technical College. The gross value of the Trust's endowments is estimated at over £300,000, while the gross revenues amount to a sum approaching £14,000 a year.

Application of Revenues.

The revenues are applied as follows:—

(a) In maintaining and providing free education (with books and stationery) for 120 boys, called "Robert Gordon's Foundationers." Twenty-nine foundations are available annually, 19 being given by the votes of the Trustees to boys between 11 and 12 years of age who pass an entrance examination, while ten foundations are awarded by open competition to boys over 11 and under 12 years of age;

(b) In maintaining and educating 60 girls, called "Endowment Foundationers." These are children who have lost either parent or both parents, and whose surviving parents or guardians are unable to maintain and educate them without difficulty, and are not in receipt of parochial aid. The foundations are divided into two classes—"Outdoor" and "Indoor." The "Outdoor" foundations are open to girls not under 10 nor over 12 years of age. The foundationers receive free education (with books and stationery) at a public or State-aided school, and an annual sum for their maintenance and clothing. The "Indoor" foundations are open to girls not under 10 nor over 14. The foundationers are maintained in a Home (Sunnybank House, Sunnybank Road, Aberdeen) until they attain such age, not exceeding 16, as the Trustees may determine; and they receive free education (with books and stationery) and training in the School of Domestic Science, with a view to their entering upon domestic service;

(c) In maintaining and educating children (boys and girls) of seafaring persons residing in Footdee, Aberdeen, called "Davidson's Free Scholars." These free scholars are of two classes—(1) children under 10, and (2) children over 10. Those of class (1) receive free education (with books and stationery) at a public or State-aided school until they reach 10. Those of class (2) similarly receive free education (with books and stationery) until they reach 14, and, in addition, an annual sum for maintenance and clothing;

(d) In providing bursaries called "Robert Gordon's Bursaries." These are of two classes (1) "Presentation" and (2) "Open Competition" (only boys residing with their parents in Aberdeen are eligible for these bursaries). Those of class (1) are open to boys over 11 and under 12 years of age who pass an entrance examination, and whose parents or guardians are in receipt of weekly wages or belong to the labouring classes, or who are orphans in necessitous circumstances. Twenty-seven are awarded annually and are tenable till the holders attain 15 years of age. Forty-three bursaries are awarded annually in class (2), ten of which are awarded to boys over 11 and under 12 years of age and are tenable for three years, with free education, and in addition, an annual sum for maintenance. The remaining thirty-three bursaries entitle the holders to free education for one session, and are awarded annually in open competition to boys over 12 and under 15.

(e) In providing bursaries called "Grammar School Bursaries," which include "MacRa Bursaries," tenable at the Aberdeen Grammar School. These are divided into two classes—(1) for boys already attending the Grammar School, and (2) for boys attending State-aided schools in Aberdeen. Class (1) consists of two bursaries, awarded annually by competitive examination among boys requiring aid in completing their education. Applicants must be pupils in Classical IV. and Modern IV. of the Grammar School, and successful competitors will be required to attend during the two sessions which complete the school curriculum. In class (2) not less than three bursaries for higher education, tenable at the Grammar School, are awarded annually by competitive examination among boys between 12 and 13 years of age whose parents or guardians require aid in providing them with higher education. One of the total number of bursaries thus awarded are reserved for boys qualified, in the opinion of the Trustees, to avail themselves of the education given at the Grammar School who shall satisfy the Trustees that they are lineal descendants of *Alexander MacRa of Inverinet*, the great-grandfather of the deceased *Alexander MacRa, Ironmonger in Bristol;*

(f) In providing bursaries called "Public School Bursaries." These are awarded by competitive examination among scholars attending public or State-aided schools in Aberdeen who are not under 12 or over 13 years of age, and whose parents or guardians are in such circumstances as to require aid in giving such pupils higher education. The bursaries may be tenable for two years at public or State-aided schools in Aberdeen or at Robert Gordon's Secondary School;

(g) In providing free scholarships for boys and girls whose parents or guardians are in such circumstances as to require aid for providing elementary education, but are not in receipt of parochial relief. These scholarships, which are tenable at public or State-aided schools in Aberdeen for elementary education, are of two classes, class (1) being for children under 10, and class (2) for those over that age;

(h) For providing bursaries and scholarships, called "Aberdeen Endowments Trust Bursaries and Scholarships," for students attending the evening schools of the Aberdeen Education Authority and Robert Gordon's Technical College, an annual sum of £100 is allocated by the Trustees in the proportion of one-third to Education Authority students and two-thirds to Technical College students, to be awarded by the Trustees on the nomination of the Authority and the Governors respectively;

(i) For the purchase, preparation, and serving of free meals, and the providing of clothing by the Education Authority of Aberdeen to necessitous children attending public or State-aided schools whose parents or guardians are resident in Aberdeen, the Trustees pay to the Authority an annual sum of £1,400;

(j) For behoof of the widows of white fishers and pilots in Footdee who may have perished at sea or by any of the accidents to which such persons are exposed while following their calling, the Trustees expend an annual sum of £20;

(k) For educating Robert Gordon's foundationers and bursars—referred to in sections (a) and (d)—and towards maintaining and managing Robert Gordon's Secondary School, the Trustees pay to the Governors of Robert Gordon's Technical College an annual sum not exceeding £1,100;

(l) The Trustees pay over to the Governors of Robert Gordon's Technical College whatever balance of the net revenues may remain after meeting the foregoing purposes. The Governors are required to apply such balance, in the first place, in making good any deficit arising in connection with the maintenance and carrying on of the primary, intermediate, and secondary departments of Robert Gordon's Secondary School. Should any further balance remain after making good such deficit, the Governors are required to apply it in such proportions as they may from time to time determine towards (1) the expense of the administration, management, and maintenance of the Technical College and (2) the providing of foundations, bursaries, or scholarships in connection with the College, these privileges to be of such amount and held on such terms and conditions as may from time to time be fixed and determined by the Governors.

SHETLAND ISLANDS.

There are several despatches and arrivals each week.

LATE FEE LETTERS.

Late Fee Letters.—½d. each in addition to postage. Must be handed in at counter for the principal despatches not later than 12 noon, 2.30, 5.0, and 6.0 p.m. Post Office Sorting Carriage attached to trains leaving Aberdeen for London at 3.15 and 5.30 p.m. (West Coast) on week-days, and 1.0 p.m. on Sundays. Letters bearing extra ½d. stamp can be posted in the carriage Letter Boxes.

Registered Letters should be handed in at the Head Office half an hour before box closes, but payment of a fee of 4d. each gives right to post up to hour of ordinary box closing.

Rates of Postage.

INLAND LETTERS AND BOOK PACKETS.

For a letter not above 3 oz., 2d.; every additional oz., ½d.

Printed paper rate.—Not above 1 oz., ½d.; not above 2 oz., 1d.; and for every additional 2 oz., ½d.

If posted unpaid, chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

Maximum size, 2 feet in length, 1 foot in width, or 1 foot in depth, unless sent to or from a Government office.

Postage, amounting to £1 and upwards, on inland letters, etc., and parcels may be prepaid at the Head Office in money instead of stamps.

INLAND NEWSPAPERS.

For each newspaper not exceeding 6 oz. in weight.....1d.
and for each additional 6 oz.....½d.

Maximum weight, 2 lbs.; length, 2 ft.; width or depth, 1 ft.

The publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage; if insufficiently prepaid, with double the deficiency.

Every newspaper must be posted either without a cover or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

INLAND PARCEL POST.

Not exceeding 2 lbs., 9d.; 5 lbs., 1s.; 8 lbs., 1s. 3d.; 11 lbs., 1s. 6d.

Maximum weight.....11 lbs. Length.....3 ft. 6 in.

Length and girth combined.....6 ft. 0 in.

A parcel should not be posted in a letter box. It should be marked "Parcel Post" and presented at the counter of a Post Office.

If a packet bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter, if it is fully prepaid. If it is not

fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for are kept two weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept two months.

If, however, such a parcel contains perishable matter, it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

Inland Registration and Compensation.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to the rules as to posting and packing, give compensation up to a maximum limit of 400l. for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2d.; and the scale of fees, and the respective limits of compensation are as follows:—

Persons or firms who desire at any time to receive their letters or other postal packets of any kind (including parcels) in advance of the ordinary delivery, may have them delivered by special messenger on payment of the following fees, viz.—the full express fee of 6d. a mile as for one packet, and 1d. for every 10 or less number of additional packets beyond the first.

RE-DIRECTION—(*Inland*).

No charge is made for the re-direction of letters by an officer of the Post Office or by an agent of the addressee after delivery, provided in the latter case that the letters are re-posted not later than the day after delivery (Sundays and public holidays not being counted), and that they do not appear to have been opened.

Re-directed letters which are re-posted later than the day after delivery will be charged a fresh postage at the prepaid rate, and any which appear to have been opened will be charged as unpaid letters posted for the first time.

*EXPRESS DELIVERY OF MESSAGES, LETTERS, AND PARCELS BY SPECIAL MESSENGER ALL THE WAY.

Messages, postal packets, letters, and parcels are delivered by Express messenger under the following conditions, viz.:—

LOCAL SERVICE. EXPRESS THROUGHOUT.

Scale of Charges.

(*a*) For a Message, Letter, Packet, or other article the Express fee (inclusive of charges for omnibus, tramcar, railways, etc.) is:—

For every mile or part of a mile from the office of delivery to the address - - - - - - - - - - 6d.

(Ordinary postage is not charged.)

A weight fee of 3d. is charged on packets over 1 lb. in weight.

(*b*) The cost of hiring a cab or other special conveyance must be paid in addition to the ordinary Express fee, if the sender desires that such a conveyance be used, or if having regard to the weight and size of the packet and the distance to be covered, the accepting officer considers that the employment of a special conveyance is necessary. The weight fee in such cases is not charged.

Replies and Returns.

On the delivery of an Express packet, the delivering messenger may take a reply or perform a further Express delivery service within the authorised hours. The second fee must be prepaid either by the sender of the first service or by the sender of the reply or further service.

When a reply or further service is required by the sender, the words "Wait Reply" or "Wait Further Service" must be written above the address of the letter or parcel, and the messenger will be allowed to wait 10 minutes.

When a letter or parcel is taken to an address on the messenger's homeward route, or to an address within a radius of half a mile of the Post Office from which the messenger originally started, half only of the special messenger fee will be chargeable.

EXPRESS DELIVERY AFTER TRANSMISSION BY POST.

Under this service letters and parcels are forwarded by Mail in the regular course of post, and on arrival at the office of delivery are sent out by Express messenger.

Fees.

(a) In addition to the full ordinary postage the Express fee is:—
For every mile or part of a mile from the office of delivery to the address - - - - - - - - 6d.

(b) The cost of a special conveyance must be paid in addition to the postage and mileage fee in any case where a special conveyance is required.

---

* Live animals (if confined in a suitable receptacle), cycles, and liquids can also be accepted for Express delivery, and persons can be conducted to any address by Express messenger. Special arrangements made as to dogs.

(c) The sender is responsible for the fee and charges. The fee is in no case less than 6d., and this and the postage must be prepaid by means of stamps affixed to the Letter or Parcel. In any case where a special conveyance is required the whole charge for such conveyance should, if possible, be prepaid in postage stamps affixed to the Letter or Parcel, but any deficiency will be demanded from the addressee. If one-half of the express fee and charge for special conveyance is not prepaid, the letter or parcel will be liable to be treated as an ordinary letter or parcel instead of being delivered by special messenger.

An International Express Service is also in operation between the United Kingdom and certain foreign countries, particulars of which can be obtained at any Post Office.

After once paying a Money Order, by whomsoever presented, the Post Office is not liable to any further claim.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

POST OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the*

due Repayment thereof," and are open daily during the hours appointed for money order business for the receipt of deposits of one shilling, or any number of shillings, subject, of course, to the limitations of amount prescribed in the Acts previously in force for Savings Banks.

Deposits are received of any sums not less than a shilling, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Any sum not exceeding £1 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post Office Savings Bank may invest a sum in Government Stocks at the current price of the day, and may sell at the same. The commission for buying or selling is, not exceeding £25, 9d.; exceeding £25 and not exceeding £50, 1s. 3d.; exceeding £50 and not exceeding £75, 1s. 9d.; exceeding £75 and not exceeding £100, 2s. 3d.; and exceeding £100 and not exceeding £200, 2s. 9d., with a further charge of 6d. in respect of every £100 or part of £100 above £200.

Immediate or Deferred Annuities are granted for any amount not less than £1 or more than £100 to any person not under the age of 5 years. The persons whose lives are insured, or to whom Annuities are granted by the Postmaster-General have direct Government security for the payment of the money at the proper time.

Forms of proposal for the insurance of lives and the purchase of Annuities, and information as to filling them up, may be obtained at any Post Office Savings Bank.

Post Office Telegraphs.

INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 1s. for the first 12 words, and 1d. for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one-half the ordinary tariff, a fraction of a halfpenny being reckoned as a halfpenny. The repetition charges will be refunded if it should turn out that the original telegram was incorrectly transmitted.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus—½ counts as one word, and 109¾ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

NIGHT TELEGRAPH LETTERS.

Telegraph Letters are now accepted up to 12 midnight at the Head Office to obtain delivery the following morning in towns which have an all-night telegraph service. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. for 36 words or less, and 1d. for every three words beyond 36.

REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a fee of £2 a year, dating from the day of registration. The address must consist of not less than two words, one of which is to be the town or place of delivery.
